PRESS RELEASE

RE: TEMPORARY CLOSURE OF SOUTH HARBOR DRIVE

PLEASE TAKE NOTICE that South Harbor Drive will be closed to thru traffic immediately south of the intersection of Y-Drive and Harbor, to Prospect, beginning **Tuesday, September 6, 2011 thru May 24, 2012**. If construction is moving along well, and the site looks to be passable when we get to November 18, 2011, the City may decide to open Harbor through the winter.

The purpose of the road closing is to facilitate installation of the new raw water transmission line and reconstruction of the utilities and roadway.

An access route will be maintained on Harbor Drive to allow access to businesses and houses within the project area and to allow emergency services vehicles access through the work zone. North and southbound thru traffic on Harbor must follow the detour route around the project limits.

If you have any questions regarding this Press Release, please contact Julie Beaton, Project Manager, at 847-3493 or jbeaton@grandhaven.org. Thank you.
