A permit becomes void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time commenced, or after 24 months from date of issue.

All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or performance of the construction.

Section 23a of the state construction code act of 1972, act No. 230 of the public acts of 1972, being Section 125.153a of the Michigan compiled laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are able to perform on a residential building or a residential structure. Violators of section 23a are subject to civil fines.

I HEREBY CERTIFY THAT I HAVE READ AND EXAMINED THIS APPLICATION AND KNOW THE SAME TO BE TRUE AND CORRECT.
